Kind Attn: Mr. Andrew Wildblood, Senior Vice President

Sir,

The BCCI had started a tournament i.e., Indian Premier League which was played for the first year in April / May 2008. Your services were utilized for the said tournament for which an amount of Rs.42.92 Crores was paid to you. The contract was negotiated between the BCCI Secretary, Mr. N Srinivasan and Mr. Andrew Wildblood. When the said terms were placed before the Working Committee of the Board for approval, the same were not approved. However during the pendency of the negotiations, your services were utilized for the season 2009 during April /May 2009 for the IPL event which was shifted to South Africa. However the Working Committee of the Board thought that the amount which was asked by IMG was disproportionate to the services rendered and therefore again negotiations took place between the President and Secretary of BCCI and Mr. Andrew Wildblood in London in June 2009. You were asked to submit a fresh proposal before the next working committee meeting of the Board which you failed to furnish. Therefore please note that the BCCI has taken a decision not to use IMG's services any more for the Indian Premier League tournament.

Thanking you

Yours faithfully
