Scholar Spotlight

Current Status:
B.A. Hons. (Business Economics)
(3rd Year), Shivaji College
University of Delhi, Delhi

Location:
To become an IAS officer

Atanu Ghosh

Despite a meagre monthly income of around ₹17,000 from my father's modest cyber cafe in Delhi that was insufficient to meet the expenses in a family of three, his dedicated support to my educational journey remains unwavering. His sacrifices and commitment in order to help secure my future have instilled in me a profound appreciation for the importance of academic pursuits. While pursuing my studies, I actively sought opportunities to contribute to his business, dedicating time it was possible to fortify our family's financial foundation.

Driven by aspirations to become an RBI Grade 2 officer, I enrolled in a BBA (Banking and Insurance) program at Guru Gobind Singh Indraprastha University (GGSIPIU) Delhi in 2018. However, the exorbitant course fees exceeded my family's means, leading to my premature departure from the college. Undeterred, I redirected my efforts towards preparing for Delhi University's entrance exam, eventually securing admission to B.A. (Hons.) program in Business Economics at Shivaji College in 2020.

Navigating the financial challenges of supporting my college tuition and paying coaching fee for government exams required a proactive search for scholarship opportunities. In 2022, my fortunate discovery of the **BYPL SASHAKT Scholarship 2021-22** marked a turning point in my quest for excellence. The substantial scholarship award of ₹36,270 alleviated the burden of my annual college fees and enabled me to purchase essential books for preparation.

I am grateful for this financial lifeline from BSES Yamuna Power Limited, as it became the impetus for me to redouble my efforts and fervently pursue my academic and professional goals.

Achievements of Growing Scholar Community:

Simran D

Scholar of **HDFC Badhte Kadam Scholarship 2022-23** showcased her hard work and resilience by securing the fourth spot among her classmates in the college examination.

Swarna Rekha

A community scholar of the **Keep India Smiling Foundational Scholarship & Mentorship Programme** has empowered 200+ underprivileged students through her organisation 'Parhit Saris' and has been able to establish 4 digital libraries till-date.

Nishuraj Singh

A scholar of the **HCLF My Scholar** initiative, Nishuraj has held several positions including Quality Analyst, Quality Executive, and Process Associate at firms like Ingenicx, Cogent, and Genpact. He now single-handedly takes care of his family of 5 along with his siblings' education.

Aakash Trivedi

Scholar of the **IDFC FIRST Bank MBA Scholarship** has secured an internship offer from Advice Doctor Ltd. for his hard work and persistence. He is looking forward to making a significant place for himself in the organisation.

Even after 76 years of India's independence, a somber reality persists: more than 150 million young dreams in the country remain locked outside the gates of formal education.

(Source: The Hindu)

But in this age of transformation and hope, we believe in the power of change, and we stand by the power of kindness!

Introducing Kind Circle, a radiant beacon of hope for underprivileged yet deserving students.

“

These children harbour hopes, dreams, and aspirations that reach for the stars, but what they lack are the resources to fuel their educational journey. Be their guiding light, their beacon of hope. Support these students in their pursuit of knowledge. Your contribution can turn their dreams into reality. Let's empower their future through education.
