Subject: accounts

Dear Dr.Rana,

Here is our personal cash situation:

As of March my balance with you was \$11200,to which we add Freds check
of April in the amount of +\$3284
which brought the total to \$14448. At this point you sent a
check of -\$ 6000
bringing down the total to \$8448

Now from here I took the liberty of taking some money from the Sunil Patel deposits in two amounts,one was for my dubai ticket \$425 which was a personal expense,and the other was my world cup debt in the amount of \$380.

When you take these two amounts out of the above total it leaves a balance of \$7643.

I have calculated the dolar amounts on yesterdays currency rates which was Rs.41.40 per dollar.

Now Doctor sahib we need to send \$2000 to your secretary Shaz's brother in california and Shaz can take that amount from her father where she lives.

Everything is fine here,business is slowly picking up.I think by September we should be in full bloom especially if we succeed in getting a couple of visas.

Thats all for now.Salaam.Dave
