Dear Dr.Rana,

Here is the written detail of the expenses.

I changed \$5500 total. \$4000 that i owed you and \$1500 of mine.(which the business owes me). I got a rate of Rs.41(.50 better than the market).The total came to Rs.225500.

Out of that I paid Home rent for 4 months upto 30Nov @26000 a month totalling Rs.104,000 and I paid Office rent for 3 months also upto 30Nov @27000 a month totalling Rs.81,000.

Taking these 2 sums out leaves us with Rs.40,500.

From that I paid Mahrukh Rs.11000.(August pay) leaving a balance of Rs.29,500.

We must take rapid steps to improve business, as the status quo cannot be maintained indefinitely.

I will be getting some cash from Harry in China, which I will put towards advertising. A trip by you is a must in the very near future and we should discuss whether I should hire a paralegal myself here or wait for your arrival. Perhaps Sejal knows someone.

If we can do any of those 3 guys (2 for Canada and 1 for USA) it will immediately alleviate our situation. Also Mr.Patel is a useful friend to have and it will be good for us to oblige him.

I am sorry I have not been able to do better for you. But this is constantly preying on my mind. I am unable to focus on any other Indian projects at all.

So kindly direct me as to the planned line of action.

Sincerely,

David
