Re: Establishing Branch Office in Mumbai, India

Dear Sir/Madam,

Immigrant Law center is a DBA for Raymond J. Sanders, attorney at law. Immigrant Law center specializes towards providing immigration services. In our endeavor to provide better and cost effective services, we want to outsource these services through our branch office in India with other offices in Bangladesh, Pakistan and Sri Lanka.

Mr. David C. Headley is our regional manager supervising and coordinating our operations in the Asian region and will be officially representing us there. We request you to please notate his passport accordingly with a ten years multiple visa for this purpose.

I'm enclosing my DBA documents in the state of Illinois for your perusal.

Should you have any questions please contact our office.

Sincerely,

Raymond J. Sanders
