Dear Thiam: P.C. Chacko ji, Vanakkam.

**Re: JPC to examine matters relating to allocation and pricing of telecom licenses and spectrum from 1998-2009**

This is with reference to your letter dated 16.04.2013, and our previous correspondence and oral discussions on the subject.

Despite my repeated requests, you have decided not to permit me to depose before the JPC. In my letter dated 09.04.2013, I had specifically informed you that I was sending a detailed written statement. Even without waiting for my statement, you have prepared a draft report and also leaked it to the media. I would submit that this is not the way the JPC is expected to function.

*In fact, you have not even provided me with a copy of the deposition*

## A. RAJA, M.P.

I am enclosing herewith a written statement for consideration by the JPC. I trust that it will be a part of the report to be given. This is to be read with my earlier note on the deposition of the Ld. SG, which I had given on 18.03.2013. If the JPC requires clarifications on any portion of the statement, I will be happy to provide the same.

Yours truly,

  
(A. RAJA)
