Respected Prime Minister

I request you to kindly accept my resignation from the Council of Ministers with immediate effect.

In view of the forthcoming Lok Sabha elections I would like to devote my time to party work, and hence this decision.

I would like to place on record my gratitude to you for the opportunity you have given me to work with you as Minister of State (I/C) Environment and Forests. It has been a privilege to have worked under your leadership in this important Ministry, and I will always remember the support and guidance you offered me in all matters.

I look forward to working in our party, and to taking the message of the tremendous achievements of the UPA Government to our fellow citizens.

Thank you

Yours sincerely
